

ABOUT US:

Dizzy and Sammy Technical Services and Contractors Ltd is a Limited company incorporated in Uganda and situated at the below address. The company offers refrigeration and air conditioning services. We are proficient in industrial cold storage services, industrial water chiller systems, and industrial cooling tunnels. We supply, install and maintain these units at industrial and domestic levels. We excel in crafting tailored solutions for our clients. Additionally, we experienced in invertor systems and refrigerated trucks.

MISSION

To provide top-quality refrigeration, air conditioning, and industrial cooling solutions with efficiency and reliability, ensuring customer satisfaction at all levels.

VISION

To be the leading provider of innovative and sustainable cooling and energy solutions in Uganda and beyond.

OUR SERVICES

WE DO SUPPLY | INSTALLATION | REPAIR & MAINTANCE.

- Thermometers (Industrial)
- Pressure Gauges
- Pressure Switches and Controls
- Condensing Units
- AC Components
- Refrigeration Controls
- Temperature Controls
- Evaporators
- Refrigerants
- Digital Temperature and Humidity Controls
- Reciprocating Compressors
- Chemical Solutions
- Ventilation and Air Curtains
- Surge Protectors
- Scroll Compressors
- Refrigeration Tools and Accessories
- Danfoss Electronic Controls
- Capillary Hoses
- Copper Coil, Pipes and Fittings
- Cold-Room Accessories

DIZZY AND SAMMY TECHNICAL SERVICES AND CONTRACTORS LIMITED

Thermo expansion, Hand valve, Oil switch, Pressure switch, site glass, filter dryer, Solenoid valve, Electronic Expansion Valve, Solenoid coil, Ball Valve.

Temperature Controls, Digital Temperature, Humidity Controls

Axial Fan, Centrifugal Fan, Compact Fan, Cross Flow Fan
Kitchenhood fan, Inline duct fan, Fresh Air and Toilet extractor fans

Lubricants

Refrigerant Gases

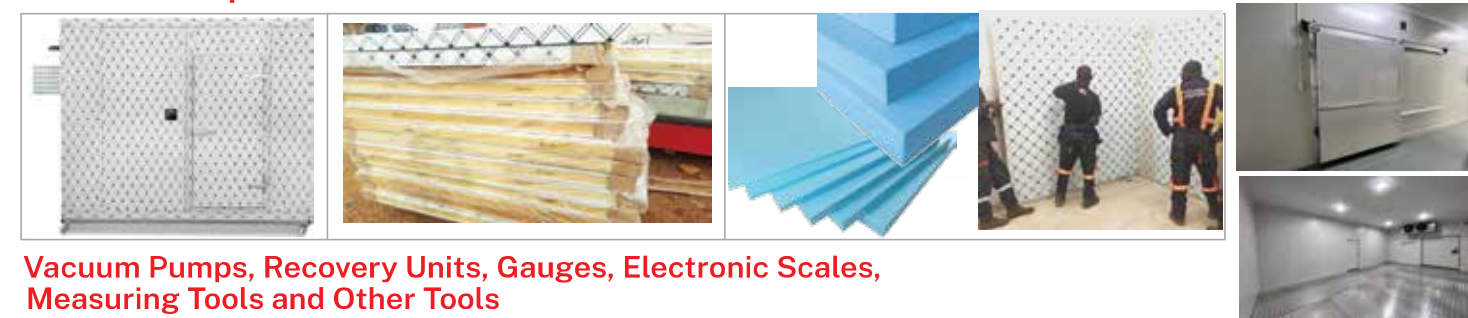

Condensing Units

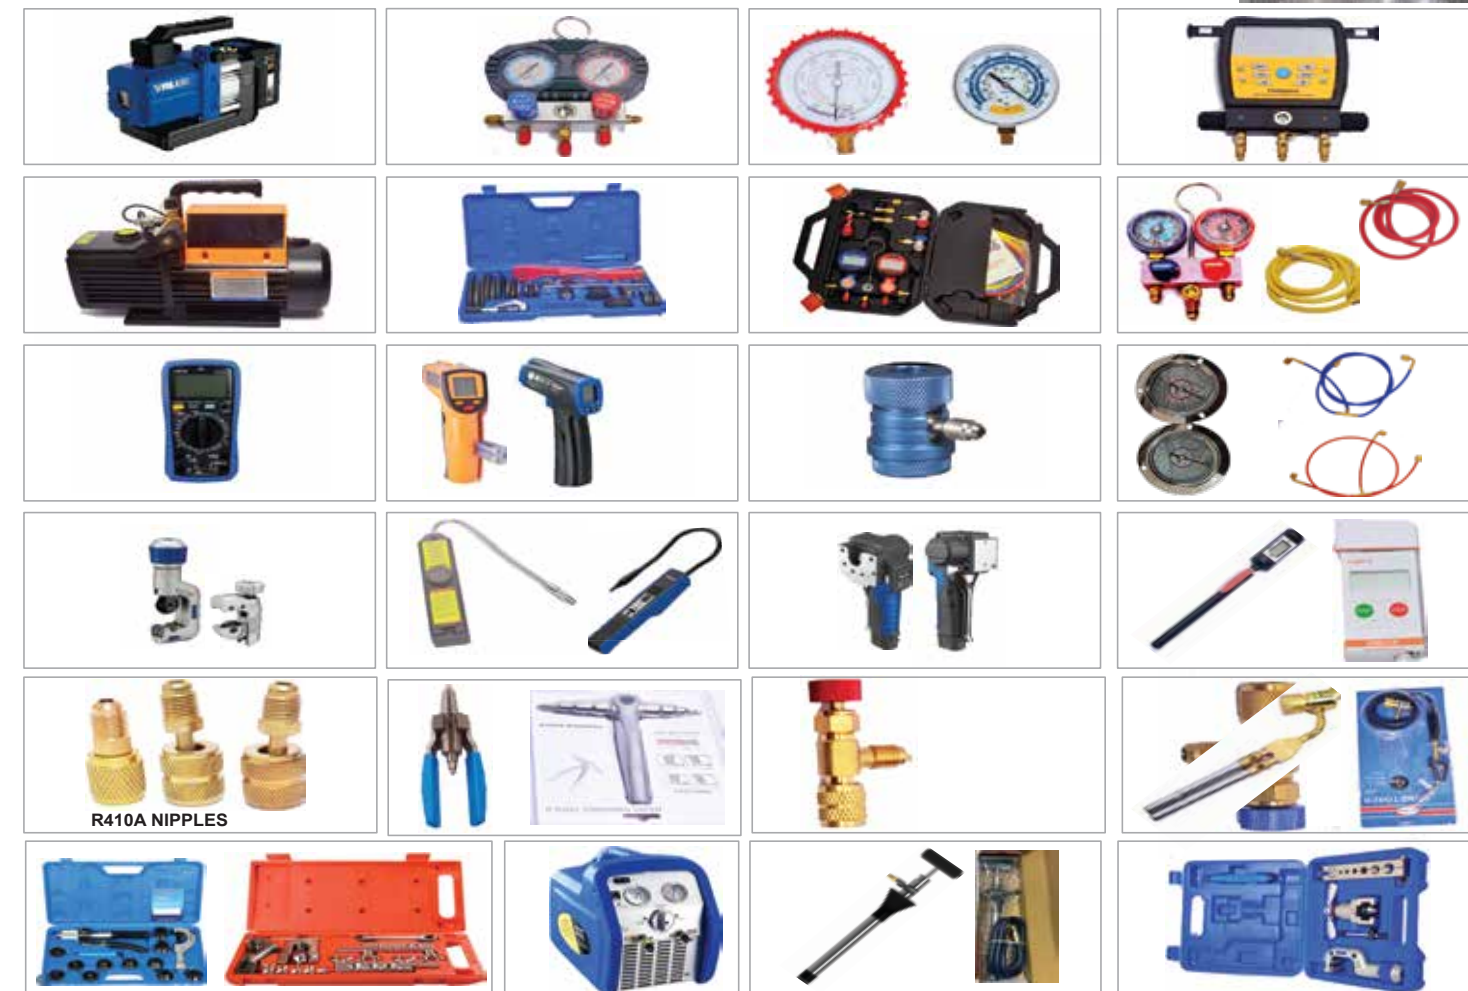

Evaporators

PU Cold room panels

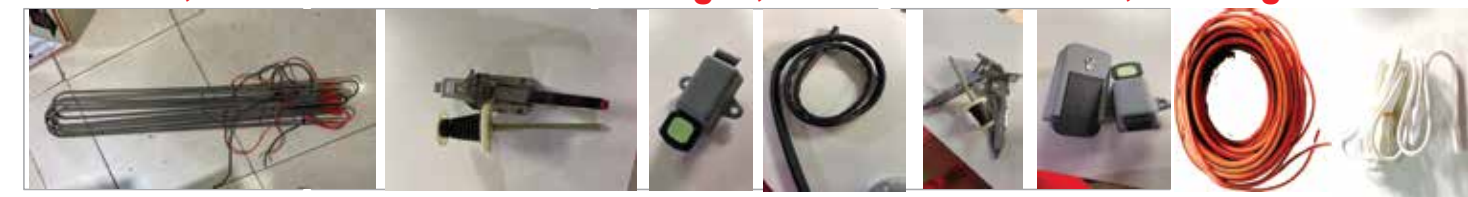

Vacuum Pumps, Recovery Units, Gauges, Electronic Scales, Measuring Tools and Other Tools

Capacitors, Compressor overloads, Relay Starters, Compressor Protection Module, Water flow switches and others

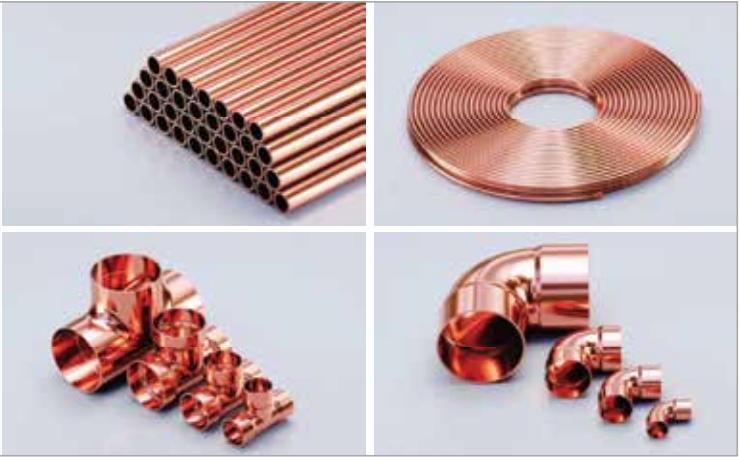

Heaters, Cold room door locks & Hinges, Coldroom Gasketes, Drainage Heaters.

AC water pumps, Ac service Kit, Insulation foam tape, Metal Disc, Flexible Drainage water pipe & Loctite

Referigerations copper coil and Pipes

Brazing Rods

Ice Machines

Mortuary Freezers

Foam & Silicone Sealant

AC Spare Parts, Arm flex Sheet, & Tube

Air Conditioners

Difusers, Grills & Rovers

Semi-hermatic compressor spare parts

PVC & Electric Air Curtains

Industrial water chillers

Duct work

Pressure Washer

Liquid Receivers

Plate Heat Exchangers

Suction Accumulators

Oil Separators

Oil Charging Pump

Blast Evaporator, Two Stage water / Air cooled condenser

Industrial kitchen hood, kitchen set Ups & Gas set up

Compressors

Other Accessories

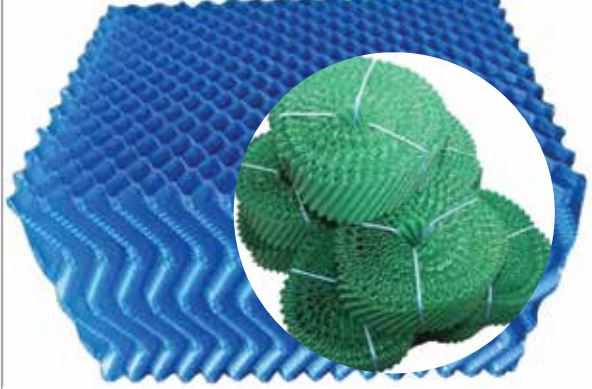

Moveble Blast Freezer

Map Gas, AC Axial Fans, Tube Torch
Vibration Eliminator

Cooling Tower PVC fills

Cold room shelf, Kitchen Sink & Table
